These products are used on a stamp pad

Each additional 1/2" in height = \$2.25

Each additional 1" in length = \$1.00

Rocker Mount for large stamps = \$16.5 added to above cost

Rocker mounts are recommended on stamps over 4" in height. The bottom is curved instead of flat so the stamp can be rolled onto a surface. Flat stamps tend not to print well on the edges because the pressure is mostly in the center.

NO ADDITIONAL CHARGE for logos or signatures Add \$2.00 if we have to set text to go with logo

NO ADDITIONAL CHARGE for enlargement or reduction of artwork

ADDITIONAL CHARGE for artwork clean-up or re-touching - starts at \$10.00

PROOFS - 50% of item cost for each proof (if no changes made to first proof, cost is refunded)
